Beloved Pastors and Brethren,

Greetings in the precious Name of our Lord and Savior Jesus Christ. I hope that you are enjoying the rich blessings that only the Master can give.

God has been good to us and has answered our prayers. He knows our hearts and our needs.

By the grace of God, our home church gave us five thousand dollars from a fundraising activity to help us buy a car. Two other churches also helped with smaller amounts. One of the brethren in the congregation here in Bogotá felt led of the Lord to sell us his car at a price greatly below its true value. Praise the Lord, we now have a 2008 Honda SUV in excellent condition. Thanks to each one of you for your loving support and constant prayers for us.

The Lord has opened a door for me in an high school where I had the opportunity to donate the textbooks, Learn with Jesus. I am giving Bible classes in all the grades of the school.

I have also given talks to the parents, including one called, Reconciliation. I thank the Lord that couples were reconciled and several received Christ as Savior. As a result of this, the school psychologist, Doctor Nila, also received Christ, and another fifteen students have made professions of faith as well. The tenth and eleventh grade students have an obligatory social service to perform, and in fulfillment of that we went out in the surrounding neighborhood passing out tracts, John and Romans, and Bible courses.

Last week we had our Vacation Bible School, and we are praising the Lord that it was a success. We were also blessed with a visit by Brother Cristóbal Yañez and his daughter Keren. He preached to the church, and we went to see some sights in the area.

We continue to distribute textbooks locally and we thank the Lord that it is a success. Thank the Lord for His provision for this work.

We are preparing for the soon arrival of 15 brethren from the Philadelphia Baptist Church of Texcoco, Mexico, pastored by Juan Arellano.

The plan for their visit is do some mass evangelism in tourist sites of the Colombian capital, and to help us print four of our Bible correspondence courses. I ask for your prayers for the provision of resources to maintain this group and to print the studies. They will be with us from July 21 to August 6, and we are excited about this first time visit by such a large group.

We are working on a project of opening up our auditorium since we are too crowded. We need to place some structural supports to hold up the second story as we remove a wall. Please pray with us that the Lord will supply for this need.

The truth is that Colombia is not an easy country in which to work. The lower income areas are particularly affected by the civil war which has created so many problems for our nation. Please continue to pray for us.

A man for whom Christ died,

William Aya

Students in the High School. Notice Psalm 19:1 on the blackboard. Below is our new car, for which we thank the Lord.
