April-May 2017 Ministry Update

Dear Pastors, Friends, and Church Family,

We are very excited to be able to write to you once again and report to you the progress that has been made as we get closer to being able to start a Fundamental, Bible-Preaching church in Chester, California.

During the months of April and May, we have continued to visit and try to be a help and a blessing to other churches as well as try to raise the rest of our support. We were also able to be a part of a youth meeting in the Sacramento area.

While actively seeking a meeting place to start the church, we have been turned down on two more buildings. We know that God is in control and that He will provide the right place. With that said, Please help us pray about the possibility of us being able to meet and start a Bible Study in the Community Building in Chester. Our goal is to be able to:

- 1) Present the Gospel to those that are not saved
- 2) Disciple those that are saved and those that get saved
- 3) Establish a core group to start the church

In our last Ministry Update, I mentioned a situation that we are facing with our house. We ask that you continue to pray with us about that.

We are very thankful for your prayers and financial support. It is because of the goodness of God and the prayers and support of His people that we are able to do the work that He has called us to. We ask that you help us pray for the people in Chester, that God would soften their hearts as we are making preparations to start a Fundamental, Bible-Preaching Church in the mountains of Northern California.

We have a few CDs left. If you or anybody in your church are interested in them, please contact me at :
