July-August 2017 Ministry Update

Dear Pastors, Friends, and Church Family,

It is with great joy and excitement that we write to you once again and report to you the progress that has been made here in Chester, California.

As you know, we have been praying for God to open the door for us to be able to rent a building and start having services. On Wednesday evening, July 12th, we were able to hold our 1st Wednesday Evening Prayer and Bible Study!!! There were 21 people in attendance and we have had new visitors just about every Wednesday evening since, with one of the families being faithful to attend every service.

God has allowed us to rent the Almanor Recreation Center (next to the park in town). We are allowed to lock down every Wednesday evening, that is not already booked, for our Prayer and Bible Study. However, the folks in charge, at the County level, will not let us lock it down for our Sunday services. If somebody wants to rent it out as a one time rental, they can bump us out. With this in mind, we have made the decision to start with a Wednesday evening service for now and adding a Sunday morning service after we establish ourselves in the community. I believe consistency is important in a young church and this is the day that we can be the most consistent. Please continue to pray for a place where we can have Sunday services without the possibility of being bumped out.

We are very thankful for your prayers and financial support. It is because of the goodness of God and the prayers and support of His people that we are able to do the work that He has called us to. We ask that you help us pray for the people in Chester, that God would soften their hearts and that they would respond accordingly as the Gospel is preached.

PRAYER REQUESTS: possibility of starting Sunday Morning service, consistent place to meet, situation with our house, prepared hearts, salvations, discipleship, and laborers, dependable 15 passenger van (for van ministry)

Phillipians 4:17 Not because I desire a gift: but I desire fruit that may abound to your account.

In His Service,
Allen, Angie, Jessica, Justin, Jordan, Jenny, and Julia
