

February 2016

Dear Pastors and Friends,

We have been on furlough since May of last year. We have so enjoyed renewing friendships and fellowshiping with the brethren. Since the first of the year, we have been to Alabama to report back to Fairview Baptist and Madison Baptist. We were in Alvin, just south of Houston to be with Bayou Drive Baptist. We do so appreciate each of our supporting churches and their faithfulness to us throughout these years in Mexico.

I am actually in Mexico at this time. I drove a pickup with construction materials bound for Tula, Hidalgo for our son Matt. I spend two days at the border registering the vehicle to be Mexican. Tomorrow I will drive the pickup to Tula, and I will be helping Matt for a few days in the construction. Returning to Monterrey, I will be preaching for the two churches there before I go to Chiapas to preach a family conference for our missionary Carlos Guillen on the 20th and 21st of this month. I am excited to be back in Mexico and seeing the Lord's blessings upon the churches and the school.

EbenEzer Baptist in Guadalupe has celebrated their nineteenth anniversary. They have new people coming. Pastor Alfredo is still working on their house which is next to the church. They will only have one bedroom, but the bathroom is attached to the house and a kitchen has been added. Right now they are living in our house in Santa Caterina which is good insurance for us but a long driving distance for them.

We will be coming back to Mexico in August for Family Camp. Ben Thompson from Capitol City in Austin will be the speaker and our son Nathan will be doing the translating. We always look forward to camp time and the decisions that are made in the lives of those attending.

We are active in the Spanish church at Capitol City Baptist here in Austin. We enjoy the services and visiting the Spanish people. Please continue to pray for us as we desire to continue to serve Him wherever that may be.
