Missionaries to the Military

June 2017

Dear Pastors and Faithful Prayer Partners,

God has been so faithful to care for our needs and encourage us with fellow believers who share His love with us. We truly are blessed!

It is here! Megan's graduation/violin recital will be the 24th of this month at 2pm. We would love for you to share in this event. If you would like more information please contact us. This is a busy month for Megan. As well as upcoming graduation, earlier this month she had a medical procedure done and we are awaiting the results. We would appreciate prayers for her. Recent blood work raised some concerns, so she will be seeing another specialist, hopefully soon. Pray for wisdom for us and doctors, promptness with appointments, and strength and healing for Megan.

In these last few months we were blessed to be part of a couple of revival meetings here in Colorado. It was so amazing to see many Pastors from Colorado come together as we were challenged to live pure lives for God, pray fervently, and stay faithful in the work of the Lord. People all around us are hurting and need to see and know the love of Jesus!

Praise the Lord! Two more churches have informed us they will begin financially supporting our ministry, which will bring our new level to 80%. As we are getting closer to full support we are planning and preparing for our move to Japan. Please pray for wisdom and direction in our upcoming decisions. We want to honor the Lord in our ministry.

Prayer requests:

Megan's medical appointments and graduation/recital; Safety for the military members around the world, as well as open doors for the military missionaries; God to open the hearts of Pastors and churches to support our ministry; Continued spiritual growth in our lives; A deeper burden for souls.

Thank you for your continued prayers for
