

**Prayer Warriors,**

**I pray this letter finds you well and good! Here comes, in a few words, what has been going on here in Colorado Springs. We have been having some exciting times & we have been having some learning times as well! The Lord has certainly been working in the hearts of people here--and in our family.**

**The month of July, was hot, and took us on our Deaf Week camp at Apache Creek in Reserve, NM. We had a wonderful week of fun, teaching, and PREACHING. We were able to take a family of five with us. The Lord really moved in one of the children's hearts and he was gloriously saved! Praise the Lord for that and now praying for this family's growth. We have had the opportunity to further our discipleship courses with two folks who have been coming and growing. Please continue to pray for their growth and faithfulness as the opposition always attacks.**

---

August was a blessed month of staying extremely busy, and a BAPTISM!! We started off the month with a helps ministry family. We were able to go out daily, sometimes twice a day and get many John and Romans out. We had a couple of good visits with people and are praying some of those folks come our way. We were not able to locate any new Deaf folks during the week BUT wouldn't you know it God brought us a Deaf visitor we had not yet met or visited. God is good all the time and requires us to be faithful!

We baptized one of the men who has been coming now for a few months and has spent those months in discipleship. During the discipleship classes he learned of his need to be baptized and obeyed the Lord. What a blessing to see people submit to what the BIBLE says.... AMEN and Amen. Please continue to pray for him, as he now wants to become a member of the church as well.

God is still working in Colorado Springs--remember you can still come our way and help! Please pray the Lord will continue to use us to find, and search out the Deaf in our city (as well as the hearing). We are not respecter of people, as God is not either! Also, pray for Isaiah as he is off to one year of Bible College. Continue to pray for our family, discernment for myself, and souls to be saved. Sorry to report that our RV has still not sold, but we appreciate the prayers--please continue those. I want to say thank you SOOOO much for your PRAYERS, financial support, and encouragement. Keep it up as we press on for the Lord!

*Psalms 84:11*
