

Prayer Warriors,

Hello from Colorado--with no snow--to all our praying and financial supporters. We are so excited to be your missionaries to the Deaf! It has been a blessed couple of months here and the Lord has been working wonderfully. I pray everyone had a Merry Christmas and will have a blessed New Year. I do pray that we as born again believers in Jesus Christ, step it up next year. America and this ole' world need some "REAL" Christians to stand for Christ and be a light to this dark country and world. What do you say? Pray more, witness more, knock more doors, hand out more tracts, trust the Lord more, and study the Word of God MORE!!

---

The month of November we had the opportunity to continue knocking doors in our area and giving out John & Romans. It is a blessing to be able to be used and have the health to get out and walk around. It sure helps when the weather cooperates and stays warm as well. This month our two youngest boys did their first special, (this was encouraging as we have not had any one doing specials). The great thing was that Caden played the guitar that he has been learning. God is good and so wonderful to us when we don't deserve it. We have had visitors beginning the last week of November--five of them--and three of them were Deaf!

December was great and encouraging. We have had visitors every Sunday now for five weeks straight and even on Thursday nights! Please pray that the Lord will give us opportunities to work with some of those who came to visit us. We have had a young military lady returning for Sunday mornings. We have had three individuals join the church this month as well. (We had the blessing to baptize all three of them that joined.) We also had the opportunity to see one of them saved, (meaning the other two were already saved). The one we were able to explain that JESUS SAVES and she put her trust and faith in Jesus was the one I baptized who joined and she is Deaf-- our first Deaf baptized and Deaf member!!! AMEN AMEN AMEN!!

Over the last several months the Lord has been blessing the chaplaincy program that I am involved with. I wish there would be more people saved and even attend the services, however the Lord has me making relationships. We have seen three

---

now saved in our ministry to the county jail as well as many preaching opportunities and discipleship. The city police department has made me a liaison chaplain for one of the stations. During my brief with the commander of the sub station, I had the opportunity to give my testimony and the commander gave me his, he is a saved man. I am excited how the chaplaincy ministry is going; just pray that I don't put the cart before the horse, and the opportunities I have to be a light to them.

We would ask that you continue to pray that God would continue to open doors for us to reach people with the gospel, it is so needed here in our city. We are still praying for folks to join and help us in this ministry of reaching the Deaf. We are so blessed for all those that pray and give financially for us to do this. Pray that the Lord would get ahold of hearts to go beyond praying and giving and physically help! It would be a blessing. Also be in prayer that the Lord would provide us a building and if we have to stay where we are, that the rent will not go up. Thank you again for the wonderful year of encouragement and support, it means more than y'all will ever know.
