Dear Brethren and Prayer Partners,

Greetings to each of you, and Happy New Year! We trust that each of you had a blessed Christmas season, and were blessed with opportunities to share the Gospel of Christ with friends and family at this time of year.

We have finished up our furlough travels and are working on acquiring visas to return to South Africa. We are currently waiting on some documents to be processed and sent to us from one of the gov't departments in Pretoria. After we receive those, we will be able to file our visa applications at the SA Embassy in NYC. We hope to be able to return to South Africa next month, but we need approved visas first! We appreciate your prayers for the Lord's timing in all of these things. We are also looking for an adequate house to rent when we return to Tzaneen. All of our household belongings are in a storage unit just outside of town, so we will have LOTS of work to unpack and setup house again when we return.

I was encouraged this last week when I talked with Bro David. The same core group that we left a year ago is still meeting weekly for services at Nkowankowa, and receiving the Word of God from Bro David! Would you pray for George? He is the adult son of one of the faithful members at the work in Nkowankowa. It's a long story, but God is working in George's life, and we are praying that he would come to Christ. A few days ago, George told his mother Nellie that he is going to leave his church so that he can find one that is teaching the Word of God. Bro David is trying to connect with him and try to setup a time to study the Bible together. This would be a huge answer to prayer.....please pray with us!

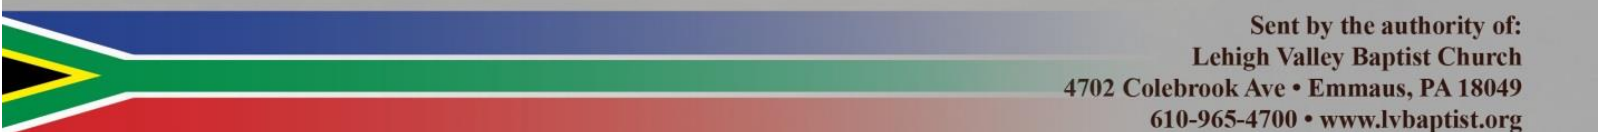

A few days ago David and his wife Lizbeth were able to attend a couple's retreat for several of the nationals from various works, hosted by Bro George Wyatt. This was a great blessing to me, and an encouragement to David and his wife. We pray for God to strengthen their home, so that they may be effective servants of the Lord.

Thank you to each of you who remember us before the Throne of Grace. We anticipate what God has in store for 2018 and are grateful to partner with you in taking the Gospel to the uttermost part of the earth!

For Souls,

Bro George Hammett
