

THE HAMMETT FAMILY

TO SOUTH AFRICA

"GO YE THEREFORE AND TEACH ALL NATIONS..." MATTHEW 28:19

February 2024

We send greetings to each of you in this new year, which is already flying by! We are grateful to the Lord for a new year with new opportunities to serve Christ. Nineteen years ago, in February of 2005, we were just embarking on this journey to carry the Gospel to South Africa. What an incredible joy to look back over the blessings that God has wrought! We are grateful for each of you that have prayed and sacrificed to make it possible for us to serve Christ here.

Family Life Conference. We trust that each of you had a blessed Christmas season, with opportunities to reach out with the Gospel. The Lord allowed us to have a special conference on December 29, as we combined the adults from the 3 mission works here for a day of teaching and fellowship. We spent several hours studying Romans 12 and discussing how to live the will of God in your home. The Lord blessed the day, and many were challenged and helped on this very important aspect of the Christian life. Pray for these believers as they seek to build Godly homes.

Limpopo Outreach Campaign. In January, we kicked off our campaign to carry the Gospel across Limpopo Province. With the Lord's help, we plan to distribute Gospel literature and offer Bible studies to the 6 million people across the 22 major municipality districts in our province. In addition to the literature distribution, we intend to do a radio advertising campaign targeting the Sotho and Tsonga language speakers. This will be a large part of our evangelistic thrust for this year. Please pray for the Lord to lead us to hearts that are seeking for truth.

University Studies Resume. Also in January, we were able to resume our studies on the campus of the University of Limpopo, as the students have all now returned for a new year of classes. We are currently meeting outside under a pavilion, but we will be presenting a formal request to be allowed to use one of the classrooms as our venue for the weekly studies. Pray for the Lord's provision in this matter. Many of the same students that we were working with last year have returned and are eager to continue studying the Scriptures. Most of them need Christ, and we trust that the Lord will bring conviction and conversion to their lives.

We are grateful for each of you that faithfully pray for us and sacrificially support us to carry on the ministry here. Many of you remembered us with special Christmas love offerings, and we are humbled and blessed by your expressions of love. We pray that the Lord will bless your work of faith and labor of love for Christ in this new year!

For Souls,

Bro George Hammett & Family
