Dear Pastors, church, and partners in ministry,

It has been a busy and crazy time for us on the road the last two months. We've had a lot of things go wrong with our RV such as a broken living room slideout, topper awning broken, tanks leaking, flat tires, a broken door, and a few other things. We have been so amazed to see God use churches like Springbank Baptist in SC, Lighthouse Baptist in CO, and of course our sending church, West Gate Baptist to help not only with these repairs but also with living and travel expenses.

We have learned that when you live and travel in an RV full time there will always be something needing fixed. We've also learned that when we don't have the solution, God does. We can rely on Him for guidance and provision.

We just had an incredible couple of weeks of missions conferences in South Carolina and Colorado. It's a huge encouragement to see God move in people all over this nation!

We are preparing to head to Missouri for a missions conference at Second Baptist Church in Festus, MO and then from there we will head up to California where we will spend a few months visiting churches and raising support. Please keep us in your prayers as we strive to reach the people of Jamaica. We know we need prayer more than anything else.

In Christ,  
The Jacksons
