

## “Moving Forward”

There is always much excitement that surrounds a new church plant. Sometimes “new” intimidates people, but for the most part “newness” brings a sense of freshness into the community.

This is definitely the story for Sun City Baptist Church. In just 6 months, we had over 250 different people participate in one of our worship services. It was incredible to watch God bless our efforts of outreach and personal invites. However, going into our 8th month, the newness of the LAUNCH has begun to wear off, but the Holy Spirit hasn't stopped working. God has continued to build the attendance of Sun City, families are being discipled on a regular basis, and the Westside of El Paso is being exposed to the Gospel of Jesus. From the beginning, our mission has been to know Jesus more and to make Jesus known. It's nice to have it on a sparkly new banner but it's even better to watch our Sun City family begin to live out that mission for God's kingdom purposes. This month we had 2 more people place their faith in Jesus Christ; 4 brand new families join Sun City; and “ministry together” is becoming a core value for our people. There is still much to accomplish here in our community, but we have begun to take steps towards the God-given vision for our church.

Please pray for Sun City as we begin to look for a more permanent place to meet. Also, please pray for these people for salvation- Aaron, Oliver, Nick, Cheyenne, and Joan. These are individuals we are actively sharing the Gospel with. Can't wait to see them follow Jesus! Pray that God will continue to use our Sun City family to make a difference for His kingdom here in our great city of El Paso!
