

Excitement abounds! We have our 5th wheel parked by our church in Festus, Missouri, and we are reaching out to churches around the St. Louis area, and into Illinois! We have had a few great meetings already, and were in a FANTASTIC Camp Meeting in Arnold, MO, just this week! God is so good to us, and even though we know all of that, we STAND AMAZED!

Also, just today, our World Missions Bearing Precious Seed ministry mailed a check for \$21,000 for the printing of 300,400 Tamil John-Romans for India, and 74,000 French John-Romans for Africa. They will soon be assembled and ready to go overseas! Please be praying for souls in these languages.

While at a recent Missions Conference in Illinois, we saw the need again for MORE John-Romans in Africa. We are already sending them by the Container load. But, souls are hungering there, and they can give them out FREELY into the public schools. Men are surrendering to preach and Bible Institutes are being raised up to teach these men to reach their own people. God is moving and this is the time we must act! "...behold, now is the accepted time; behold, now is the day of salvation." II Cor 6:2

Would you prayerfully consider helping us out? All donations to World Missions go directly to the production of scriptures. We don't use ministry money to pay people. All of the money received is used for the purpose it is given. [Donate Here.](#)

If we had ten million Scripture portions, we could find a place begging for them right now. Please pray with us about this. God is gracious, and He continues to supply, but as soon as we ship one container, we then need more paper to print more Scriptures. It is a wonderful "vicious circle" to see God working in!

Our top quality leather Bible ministry, [Church Bible Publishers](#), has made some tremendous strides in the last few months. God has blessed, and we are excited to see His hand leading and directing us in the production of more King James Bibles and great books in the near future!
