## October 2017

God is good to us here in New York City. He uses your giving and prayers to make it so.

October has been a busy month as we hurry to finish all the repairs at the building. We have now completed all of the heat system work and are waiting on a plumber to connect the natural gas line. We have finished many projects related to the entrances and floors to protect the church from any violations during the final inspection. We also restored and installed a sliding partition wall. The last big project is carpet installation.

We are now completely moved out of our rental location. It was a bittersweet final service. Many of the people approached me afterward to let me know that they would be faithful during this time of transition. We will have a few joint services with our sending church in Astoria until the vacate order is lifted on the building. Hopefully only a couple weeks from now.

One of our faithful ladies, Shirley, asked me to attend a wake for her Uncle in the neighborhood. Since no one from the Catholic church came, the family asked me to speak. I was able to give the gospel and be a support for Shirley. We thank God for opportunities like this.

Please pray for us in this final push towards the finish line!
