

The Pearson's update.

Mission update: God is faithful. We surrender to Gods call to to planting churches in the inner city 5 and a half years ago, and after much prayer, laboring and disappointments God has gave to us our first family.

We couldn't be happier, encouraged and optimistic about the future of this family. Happy because fruit is on the tree. Encouraged because 5 years is a long time and doubt is a poison to ministry. Optimistic because we long to see what God is going to do with the Hancock family.

Please pray for Ted(dad), Torie(mom), Tanner, Toby, and Tucker. Please put them on your prayer list and keep them there.

Family update: Daniel celebrated his 10th birthday this last month, we thank God for his life and his faith in the Lord.

We are feeling the affects just like you all with inflation going up daily, and my mother living with us has only increased our monthly budget. So I just want to stop and thank all our supporting churches, because I know inflation is hitting you all as well. Your faithfulness to me and my family in the face of a horrible economy God will not forget.

We are praying for you everyday and we thank you for your prayers.

Mission plans of 2024: please pray for us as we're having an event on March 29th all about the cross and we will be having our Vacation bible study the week of July 12 to the 19th. We need the Spirit to give us wisdom, boldness, and love to do Gods will in these events.
